Tourist Association, Hadano City

Event Patners: WOC SQUAD JAPAN

Venue Parners: NPO Aiueo Circle Association Japan  
Satoyama-Fureai Center, Hadano City

### <General Information>

Date : April 20, 2003 (Sun) (called off only when alarming weather)

Event Center : Hadano City Kita-Elementary School

Access : 2 minutes walk from Yokono-Iriguchi bus stop,  
15 minutes by bus from Hadano Station,  
70 minutes by Odakyu-line from Shinjuku, Tokyo

### <Competition Information>

Rules : Competition Rules for JOA Foot Orienteering Events  
(based upon IOF Rules)

Punching System: Electronic punching (Sportident) system will be used for all classes. Hired e-cards will be provided for all competitors.

Map : Complete remake of "Nanohanadai" 1994  
1:10000, 5m contour interval, drawn under ISOM2000  
B4 size (256\*364mm) sealed in plastic bag

Terrain : The terrain is divided to the eastern and western parts  
by the central narrow area. Eastern part mostly consists

of conifers, good runnability, and is constructed by the major ridge from northwest to southeast. On the contrary, western part mostly consists of broadleaf trees, good runnability and visibility on the slope to the south.
